## Christian Denominations & Multi Faith Venues in Norwich

We have already developed thriving links with our Jewish & Muslim friends in the city and we wish to extend our multi faith options and links with other Christian denominations near to the Cathedral.

### **How do Christians pray and worship and are all places of worship the same?**

This is a question that comes up many times when exploring Christianity at all key stages. Many schools work with us at the Cathedral to explore the lay out of a place of worship and how it is used to help Christians pray & worship. *You may wish to consider including another place of worship from a different Christian denomination on a visit plus a different world faith link?*

### **I hope the World Faiths, Sacred Places list below will be of help, we will:**

- help you plan a visit to both venues & a programme that addresses your learning outcomes & book the visits to each venue be with you on the day & liaise with colleagues at the venue.
- You may of course wish to book your own visit to the sacred places listed - but please be aware that you must **book in with us in advance** if you wish to visit the Cathedral too.

Exploring other world faiths is a great opportunity BUT don't forget that within the Christian family there is such a wide variety of ways of praying & worshipping in many cultures around the world.

There are many different Christian denominations on your doorstep, in your town/village to check out too!
