

**Think about all the people you love
and all those who are helping so many at the moment.**

**Love and caring is like a tree
It grows and grows but starts with me!
It only grows if you start it, plant it,
Yes, it starts with you and me.**

**Can you draw a beautiful thank you tree
for those who are caring for all?**

There is a template on the next page to help you.

What can you put on your tree?

You could stick on pictures or make leaves with pictures on them?

Hand print leaves?

Photos?

Magazine pics?
