Schools & Family Learning Department

Norfolk **SACRE**  
Norfolk Agreed Syllabus 2019

How can we help you teach the  
'core knowledge concepts' for Christianity?

Our department's core learning programmes:

**WE AIM TO SUPPORT YOU WITH YOUR CROSS-CURRICULAR TEACHING AND WE WILL:**

- Explore with you the cross curricular links RE has with other subjects & how these compliment one another to maximise pupil learning.
- Consider how cross-curricular topics are distinguished into the skills & knowledge of individual curriculum subjects & disciplines & the way in which these could link to your subject progression.
- Enable pupils to recognise individual areas via our programmes (e.g. RE, History, Science, English, Art etc), in line with your school's curriculum subject progression.

**HISTORY IN YOUR LOCALITY & NATIONALLY - LINKING EXAMPLES:** Edith Cavell/**Florence Nightingale**/Mother Julian/St Benedict and the monks at Norwich Cathedral Priory/ **Great Fire of London**/life & religion in medieval times/Church & State.

**SCIENCE - via 'Sacred Science Days'** **ART - ancient & contemporary Christian art/stained glass/sculpture, Biblical/Icons & artefacts/design**

**WE WILL HAPPILY COME INTO SCHOOLS TO DISCUSS PLANNING WITH STAFF TEAMS/YEAR GROUPS**

Why not come as a team, to the Cathedral for a CPD session about a chosen set of concepts/ideas of how to develop things in school?
